Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Saturday 12 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry with some good sunny spells.

Today:
One or two mostly light showers possible, mainly towards northern Aberdeenshire this morning, but for most a dry and bright day with some good spells of sunshine. Occasionally fresh westerly winds easing later. Maximum temperature 20 deg C (68 deg F).

Tonight:
A dry evening and night with late sunny then long clear spells, although western parts may see more cloud towards the end of the night. Minimum temperature 7 deg C (45 deg F).

Sunday:
Bright with good spells of sunshine, the best of these towards the coast where it will become warm or very warm. Rather more cloud is expected across western parts later. Maximum temperature 24 deg C (75 deg F).

Outlook for Monday to Wednesday:
Early cloud and rain soon clearing Monday then sunny spells and isolated showers. Dry, bright morning Tuesday but cloudier afternoon with patchy rain. Early rain or showers Wednesday, brighter later.
